

Payment policy

This policy explains how Demo Finance handles EMI payments.

Grace period

Every EMI has a grace period of 3 days after the due date. No late fee is charged during the grace period.

Part payments

Part payments are accepted. The remaining amount stays due and the late fee applies only to the unpaid part.

Promise to pay

A customer may promise to pay within 15 days. The promise is noted and a reminder is sent one day before the promised date.
